During the reign of the Tudors in England it was customary to bring your own knife and spoon to the table. Hmmmm. Before the Middle Ages, there were no napkins so it was customary for guests to wipe their mouths and hands on their clothes after dinner. We've come a long way since then but do any of us know/remember/practice good manners or etiquette?

Many people may think etiquette is knowing where your salad fork is placed, how to shake hands properly or simply having good manners. But it is far more than that. Utilizing proper etiquette is a life-altering skill. Whether you're looking to make a great first impression on a possible employer, customers or even the people you meet every day, etiquette training gives you the tools to make it happen.

Lynn Teel will tell us all about it. She is a graduate of the prestigious American School of Protocol in Atlanta, Georgia. Her company, **LT Etiquette** (stands for Life Techniques) specializes in modern etiquette training for children, businesses and emerging leaders.

Come and have some heavy appetizers, beer and wine, and mingle with your fellow members in a relaxed atmosphere while learning valuable life-style lessons!

NEW TO THE CELLAR

From Wine Director Craig Halvorson, WSET II

We have the #1 Wine from 2022 in our cellar.

While checking my office mail-box in early January I noticed my monthly subscription to the Wine Spectator Magazine was included and of course the first thing I do is see who made the cover. There is usually a cover story about a member of the Mondavi Family, a hand full of other “Legends” from California, or a cover story about a Wine Region that is producing exceptional wines as of late. But not this time. I had in my hands the annual “Top 100 Wines” Issue. One of my favorites, this issue announces the top 100 Wines in the world with of course the spot light shining on which wine received the top spot #1. As a Wine Director, the person in charge of maintaining a balanced list of wine choices for our Members and Corporate Clients, we are always anxious to see if one of our recent purchases made the list. Once a wine makes the top 10, it immediately gets bought up or at the least becomes “highly allocated” – just darn near impossible to get. So I sat down at my desk and started to turn the pages. As you can tell from the build-up – yep, we have it! We have the #1

Wine from 2022 in our cellar. Please allow me to introduce you to the 2019 Double Diamond Cabernet Sauvignon by Shrader Cellars:

The 2019 Double Diamond Cabernet Sauvignon is crafted by winemaker Thomas Rivers Brown in the Schrader Cellars tradition of making the best Cabernet Sauvignon that Napa Valley can offer. A unique expression of the Oakville AVA with harmonious integration of decadent fruit, refined structure, and silky tannins. In the glass, the wine displays a nearly opaque ruby-purple hue. Upon closer inspection, aromas emerge in waves suggesting framboise, nutmeg, toasted cedar bark, plum reduction, and pennyroyal mint. The sleek palate is marked by mouth-watering notes such as blackberry compote, dark chocolate shavings, cassis, oolong tea, flint, and lavender. The dynamic flavors interact on the mid-palate with a vivid harmony, carrying through to the long floral finish, which lasts for up to a minute. With a pleasing acidity and fine tannic framework, this wine is very enjoyable today and should develop gracefully in the cellar for years to come. – Shrader Cellars

EMPLOYEE SPOTLIGHT

WILBERTO LONGORIA STEWARDING MANAGER

Our Employee Spotlight for the March/April Newsletter 2023 is Wilberto Longoria. He began his employment at City Club on October 14, 2000 as an employee in the Stewarding Department, became a Stewarding Supervisor and is now

the Stewarding Manager. Wilberto is our “behind the scenes” guy and helps in so many departments; kitchen, banquets, off property events, member events. His job is to keep the kitchen and dishes clean...the hardest job in the Club! He is usually the first one at the club and is ALWAYS the last one to leave (when the last event is over for the night). Sometimes that could be 3 am!

We truly couldn't get anything done in the club without Wilberto. Congratulations on a job well done!

MEMBER SPOTLIGHT

Name of Member: CONNIE BECK

The City Club is one of my favorite spots downtown. I have frequent lunches at the City Club and my guests always enjoy coming to the Club. My husband and I have special dinners at the City Club and we usually have dinner at the Club before attending the Fort Worth Symphony

Orchestra concerts. It is a pleasant one block after dinner walk to Bass Hall.

For lunch I love their Salmon on a bed of Creamy Cranberry Risotto and at dinner my favorite is their lamb presentation. We get excellent attention from the servers (Maria and Gutberto) along with Terence and Jennifer at the front desk. Craig does an amazing job in caring for members and ensuring that wine is perfect for our dinner.

I have had several group lunches in the Club using their beautiful private rooms. It makes my guests feel special to attend lunch in a private room. Of course, the service from the staff (Anura, Estela and Jose) is perfect.

Last year I hosted about 50 family members at Easter Brunch at the City Club. They loved it. The buffet was wonderful and the Easter Bunny pictures were special. I have already reserved for Easter Brunch in 2023.

As a Banking Executive, now retired, I have lived and worked in wonderful cities, including San Francisco, Detroit and Dallas, and I was always a member of a downtown Club. Since I have comparisons, I can attest to the wonderful atmosphere, food, and service the City Club provides its members.

FITNESS FOR YOU!

Is Yoga Enough for Your Exercise and Fitness Needs?

By: Laura Powell/Yoga Basics

Yoga is a great activity that can be beneficial for all areas of health—physical, mental and emotional. But many people have the

misconception that it is not enough to be the only form of exercise they do. But is it? If you use yoga for exercise, is it enough for your fitness needs? The answer depends on several factors, including the intensity of your yoga sessions and your overall level of fitness.

YOGA FOR EXERCISE:

Yoga is one of the best ways to stay fit and healthy. It can be used to improve health, flexibility, strength, posture, and so much more. It is not only a rewarding physical activity, but it is also a holistic lifestyle that promotes emotional well-being and good mental health. It is low impact, accessible to just about anyone and it calms the mind and reduces stress. The poses are easily adaptable, so you can do them regardless of your age, level of fitness or physical limitations.

INTENSITY LEVEL:

The intensity of your yoga workout depends on which classes and forms of yoga you choose. Each type of yoga class will have a different level of intensity which requires a different amount of physical exertion. There's a vast difference in the intensity between a yin or gentle yoga class and a fast-paced vinyasa class or a challenging hot yoga practice. You will need to experiment and take different classes and with different teachers to find the practice that gets your heart rate up and builds muscle strength. If you are practicing a low to medium intensity style, then a longer practice is recommended.

CONCLUSION:

The question of whether or not one can get enough exercise just by doing yoga is a hotly debated topic. It is a great way to exercise, but it may not be enough for your needs, unless you take vigorous classes like vinyasa or ashtanga yoga. It is an excellent way to maintain flexibility and tone muscles, but it does not burn as many calories as other traditional workouts. As with anything in life, just be sure you're doing what you enjoy and that it improves your overall quality of life.

RESERVATIONS, PLEASE.

City Club Management and Staff always do their utmost to ensure your dining experience at the Club is the very best it can possibly be. Certain days, and times of day, are busier than others due to seasonal events and celebrations. Member reservations for lunch and dinner assist the Club in consistently providing the level of service you deserve. A telephone call to the Club's Receptionist at 817.878.4000, letting us know when you will be coming, how many are in your party, and whether you wish to dine in the Oak Room or the Terrace, will provide seamless enjoyment of your visit to City Club. Any special requests may also be made at this time.

GARAGE PARKING

As a privilege of membership, City Club provides complimentary parking for up to 3 hours in City Center Garages 1 and 2, which are attached via skybridge to the Bank of America Tower.

City Center Parking Garage Management establishes the schedule of parking fees for time over the complimentary 3 hours. After the complimentary 3 hours, the schedule of fees is:

- \$3 for 0-1 hr \$9 for 2.5-3 hrs
- \$6 for 1-2 hrs \$12 for 3-4 hrs
- \$7 for 2-2.5 hrs \$15 for over 4 hrs

Parking fees are paid when exiting the garage.

City Club will validate garage parking at the 3rd floor Reception Desk when members are dining at the Club. Parking may also be validated at each Fitness Desk in the Women's and Men's Fitness Centers. It is suggested members park in Garage 11 (Calhoun St. entrance) when visiting the Club.
