## CATERING

*Congratulations on your Engagement!*

*We are excited to help you plan your intimate wedding!*

*Here are several great reasons to consider a smaller, more meaningful wedding & reception all in one location at*

*City Club Fort Worth:*

1. Greater ability to personalize your wedding
2. Less stressful planning experience
3. Multiple venue and room options
4. More time to spend visiting with your guests
5. Friendly on your budget
6. Convenience & cost savings of having room, service, food, bar, tables, linens and rentals with one vendor
7. Flexibility to upgrade what is most important to you. Some ideas might be a full signature or craft bar, a wine pairing dinner, an over-the-top head table, family-style service where everyone is included or even a heavy hors d' oeuvres party-style reception. The possibilities are endless when you do not have to plan for a large group!
